Professional Summary

- Carolyn came to Crowe MacKay understanding the value of having a strong financial team supporting business operations. Her drive is to provide premium support in financial recording and reporting to the partners of Crowe MacKay.

Experience

- Carolyn started her accounting career in public practice, working primarily on public company audits. The experience of learning the business while out on various audits prompted her to seek a position in industry where she could be an integral part of the full-cycle accounting of a business.
- She has many years of construction and health care industry experience in both public and not for profit company accounting. She has worked through the business evolution of an owner managed company going public and later being acquired, including the people challenges that come along with this degree of change.
- In addition to the variety of accounting challenges, it has been the mentoring relationships and team atmospheres that have proven equally rewarding for Carolyn.

Professional Affiliations

- Carolyn is a member of the Chartered Professional Accountants of British Columbia.

Education

- Carolyn received her Bachelor of Commerce from the University of Alberta in 1999.
- She obtained her Chartered Accountant designation in 2004
