Professional Summary

- With Jack, you get the power of working with a strategic business advisor and someone who is committed to helping your company thrive. His approach to client service is to be involved every step of the way and be ready to respond to your financial questions whenever they arise.
- His primary goal is to provide his clients with insightful advice so they can make informed decisions. He finds it extremely rewarding to help clients find the right solutions to meet their complex business needs. He knows he has earned the title of trusted advisor when his clients ask him for his opinion before they make business decisions.

Experience

- Jack's practice is focused on management consulting, with an emphasis on corporate finance, business operations and planning. He is proactive about bringing potential issues to his clients' attention so they don't have to worry about the financial and business aspect of their lives.
- He works with both the business and the people behind the business to assist with planning, whether it is strategic, succession, or general operations. He knows that time is money, and he wants to save you both.

Professional Affiliations

- He is a member of the Chartered Professional Accountants of British Columbia and Alberta (CPA).
- Jack has also served as a member of the Board of Governors for the Certified General Accountants of Alberta and as Chair of its Public Practice Committee.

Education

- In 1981, he received his Diploma of Business Administration with honors and a major in Accounting from SAIT. He received his CGA designation in 1983.

Community Involvement

- Jack serves on the Board of Directors for the BC Aviation Council, is an avid aviator, has a private pilot's license and is a member of the Aero Club of BC.
