Professional Summary

- Rukshana Dinshaw joined the firm in 2002. As the Consultant of Professional Practice at Crowe Soberman, Rukshana ensures that the highest standards are met on each job and for every client.

Experience

- With over twenty-five years of experience in the area of Professional Practice, Rukshana is responsible for setting and monitoring the firm's policies with respect to Accounting & Assurance standards, as well as matters regarding ethics, professional conduct and quality control within the firm.
- Rukshana is involved in the planning of all audit engagements to ensure efficiency and effectiveness. As a member of the firm's Professional Practice Committee, she also performs quality control reviews of files and financial statements and monitors the firm's policies and procedures in other areas such as independence, conflict of interest and client acceptance.
- Rukshana also applies her expertise in accounting and auditing, in preparing expert reports as well as analysis and commentary on reports prepared by other specialists. She has experience in assisting in litigation matters relating to the application of auditing and assurance practices.
- Rukshana currently serves as the division chair of CPA Ontario's Professional Conduct Committee, a member of Crowe Global's Accounting and Auditing Committee and is the founding member of an inter-firm standards advisory committee. Over the years, she has been involved in a number of other CPA Ontario and CPA Canada initiatives.
